MARCHING BAND SUPPLIES

The following list gives the prices of marching band equipment. Each student needs to have a flip folder and lyre for their instrument. Please plan in advance so your son/daughter will have what they need for the first day of camp. Lyre & flip folder orders will be handed out during the first day of precamp.

There will be a \$55 camp fee to help cover expenses. With this money we will provide a t-shirt of this year's show theme and help cover staff expenses. The shirt order will go in on Wednesday of camp, no shirts order can be placed after Wednesday. *In the case of financial concerns please contact Mr. VanStrien via email and arrangements can be made. No students will be excluded for financial reasons.*

All students need a pair of marching band shoes (Speedsters). Marching band shoes only need to be purchased one time and can be used with the marching band uniform as well and the concert uniform. If a student has lost his or her shoes a new pair will need to be purchased.

Please fill out the order form on the next page and return with the commitment form as soon as possible so the orders can be placed and all supplies can arrive on time.

Money for lyre/flip folders, camp and shoes will not be collected until pre band camp and band camp.

**Drumline and pit members will order lyres at a separate time with their coaches.*
