COMMUNICATION

- **Band Website:** www.coopersvillebands.org
 - Any information passed out in class will be uploaded here.
 - **Subscribe** to get more detailed information sent directly to your inbox
- **Weekly Newsletters** - Should have received the first one last Friday!
- **Email is the best way to contact us** since we teach in 3 different buildings.
 - We try to respond within 24 hours during the school week (Mon. - Friday) but with 456 students in the band program it may be a little longer.

PROCEDURES

- **Students may practice in the band room in the morning beginning at 7:10** (when the busses drop students off)
- Instruments can be picked up after school by going through the choir room to enter the band room. (We are teaching at the HS during this time)
- **Students should be practicing 3x a week for about 15 minutes** to be successful. Extra music books are available to check out from our “classroom music library.”

SOLO AND ENSEMBLE

- Solo & Ensemble - December 2, 2017 @ CMS
 - Students prepare solos or duets to play for a “judge” (band director in a different district).
 - Students then receive comments and a rating
 - Great opportunity for all students and we host the event here.
 - Students are expected to practice outside of the classroom for this event.
 - Soloists require a piano accompanist. A list of names and numbers will be provided. Students will be responsible to cover the cost of the pianist (\$25) but the school will cover the cost of the event!
 - More information will be sent home at the end of this week/early next week.

MSBOA BAND FESTIVAL

- The band will travel to a local school to perform 3 pieces and sight read a piece for a panel of judges in early March.
- The location and time of this performance is assigned to us by the state and I will share as soon as the schedule is released.
- To prepare for this performance we have a “Pre-Festival” concert here at CHS.
- This event is free to the public and all parents are welcome to attend and/or chaperone!
