MIDDLE SCHOOL BAND EVALUATION FESTIVAL PERFORMANCE SCHEDULE

Friday, March 8th @ Muskegon High School

We are currently still working on transportation to and from the festivals for both bands. We were hoping to have this figured out when we announced the time and date however, the snow days have slowed down this process.

The warm up, performance and sight reading times will not change. However, we would like to give both the bands the opportunity to hear and support each other as well as other bands. As soon as these details have been solidified we will send another email.

PARENTS: We need several parent chaperones to ride the bus and supervise the festival! If you are willing to help, please email us at directors@coopersvillebands.org. Having parent support is crucial to the bands' success so thank you in advance.

Students need to arrive at school wearing their band uniform or bring it with them.

Details about lunch will be given once the transportation details have been figured out.
