Band Booster Committee Openings!

Looking ahead to the next school year, we will be having some Booster members step down. I would like to personally thank them for ALL their time and commitment to this entire program. You have been a blessing to all and you will be missed! We have the following positions open.

Secretary - record the minutes of the meetings, conduct all correspondence, collect and tally Family Fare receipts and write up bills to give to office for students with outstanding balances.

Vice President - assume the duties of the President in case of the President's absence and shall in case of a vacancy in the office of President, assume the Presidency. They are an executive "floater" that assists with the responsibilities of the President and other members as needed, this would include helping organize the Booster swag table at football games.

Any questions or concerns or are interested in joining our team, please contact Amy. (president@coopersvillebands.org)
